

AV wa

No kerning

This image shows the text 'AV wa' in a black serif font. A vertical blue line is positioned at the right edge of the 'A' in the first pair and the 'w' in the second pair. There is a significant gap between the 'A' and 'V' in the first pair, and a gap between the 'w' and 'a' in the second pair, illustrating the lack of kerning.

AV wa

Kerning applied

This image shows the text 'AV wa' in the same black serif font. A vertical blue line is positioned at the right edge of the 'A' in the first pair and the 'w' in the second pair. The 'A' and 'V' are now tightly joined together, as are the 'w' and 'a', demonstrating the effect of kerning.
